Course Description-

This course examines the most frequently encountered informant issues based by law enforcement investigators. The issues discussed relate to use of confidential informants such as informant motivation, legal use of informant information, informant control mechanisms, informant veracity, and credibility.

Instructor-

Laura M. Reckart is a Deputy Maricopa County Attorney in Phoenix, Arizona, currently assigned to the Homicide Bureau. Throughout her career, Laura has tried dozens of varying felony cases, including capital and wiretap trials, and overseen and prosecuted a number of gang-related wiretaps, emergency wiretaps, murder wiretaps and vice wiretap investigations which have earned her a number of awards from the FBI, DEA, AGACL, APAAC, MCAO, GITEM and the Arizona Attorney General's Office. She has also served on various Committees and presented on numerous topics to prosecutors, lawyers, public interest groups and various law enforcement communities in several different venues.

Registration deadline is October 15th, 2011
